Day of Prayer - The Francis Effect: How Pope Francis Has Quickly Changed the Face of Catholicism

Tuesday, May 2, 2017

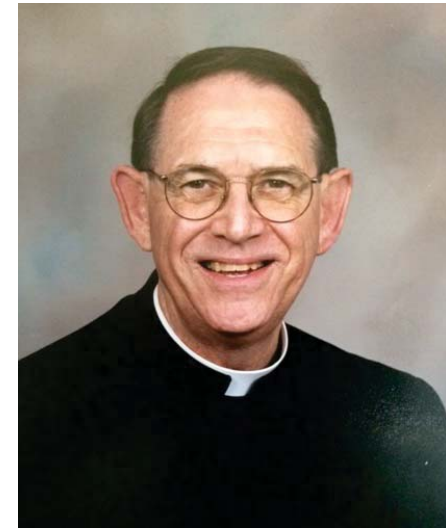

- * The film we will prayerfully view, reflect on and discuss takes a critical and in-depth look at how the Catholic Church is rapidly changing under the leadership and vision of Pope Francis. What we have witnessed in this pontificate is simply a disciple of Jesus, a faithful son of Ignatius of Loyola and of Francis of Assisi, repairing, renewing, restoring, reconciling and healing the Church through a "revolution of tenderness." This day of prayer and reflection will hopefully bring you into a deeper awareness of the "Francis effect" on your life, on the life of the Church and on the world.
- * The Day of Prayer begins at 9:00am and ends at 3:30pm. Mass will be celebrated during this time.
- * The offering is \$35, which includes lunch.
- * The Day of Prayer is open to men and women.

*Let the Church always be a place of
mercy and hope, where everyone is
welcomed, loved and forgiven.*

*Mercy is the greatest of all virtues. I
have a dogmatic certainty: God is in
every person's life.*

-Pope Francis
